SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative, and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its action on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

extended their objection to calling her Empress by saying that they did not wish to address her by any title other than Queen. She deferred to their wishes and continued the old style of address. She has relieved King Edward of any embarrassment that might be connected with assuming the title of Emperor by directing him to assume it when he became monarch of the empire.

A Little Fun on the Nevada Circuit.

The members of the James-Kidder troupe are high-rollers. Up in Carson they bucked the imported tiger in great shape and when they got to Reno, where the Holloman beast is to be found in his native jungle, they gathered all their loose change together and went at it hammer and tongs. Manager White of the Wine House sporting rooms had a faro-bank and a roulette layout installed in a private room, where the gay Theopians could be remote from the curious eye of the common hordes.

Katherine Kidder was the sportiest of the sports. She was determined to win back the \$65 she dropped in moral Carson and took to hitting the wheel at \$10 a lick. She got in \$400 before her luck turned and then she quit \$80 winner. Several other actresses followed her plan and came out to the good, somewhat.

Planning a New Court House.

A petition is being circulated among the citizens of Reno and numerously signed. It asks the legislature to permit Washoe County to bond itself for \$100,000 to build a new Court house. In the event of the bill passing, receiving the requisite number of votes in the county and the bonds sold, the old edifice will be used as a jail and police court. The new Court house will be erected in Riverside park.

Three Burials.

The funeral of Joseph Loebetti took place at 2 o'clock yesterday from St. Mary's church. The Italian Benevolent Society attended in a body.

At 2 o'clock this afternoon the funeral of George Alt will take place from the Catholic church.

The funeral of E. E. Copeland will take place from Riverside undertaking parlors at 9:30 this morning.

Chapter No. 2.

It is learned that Smith & Kelly, who own mining claims on the so-called "County ranch," have begun assessment work on their prospects in order to bring the claim of Charles Bell to a test. An issue in this matter should decide forever in this State the respective rights of claim owners and land lessors.

ACCIDENTALInquest Held Yesterday Over the
Remains of E. E. Copeland.Coroner Peers held an inquest yester-
day afternoon over the remains of the
late E. E. Copeland.The first witness examined was M. T.
Groten. He testified that he was with
the deceased on the night of his death
until about 10 o'clock. Copeland was
very much intoxicated. He pawned
his watch to Groten for \$2.50. Wit-
ness testified to Copeland having gotten
into a quarrel and breaking hisCoroners' glasses. Copeland was
reported to him that deceased had been
in the tenderloin as late as 2 o'clock.
Witness told how, in company with a
JOURNAL reporter, he visited the scene
of the drowning. Deceased's glasses
were found in the ditch near where
the body lay and he was tracked as
coming from Mill street. In the opinion
of the officer Mr. Copeland was be-
wildered and lost his way. His death,
in Mr. Leepes' opinion, was acci-
dental.Robert J. Earlston, proprietor of the
Palm Saloon, said that Copeland had
been in his place three times late Fri-
day night. He was greatly intoxicated
and was refused liquor.A man by the name of Ferry testi-
fied to finding the body in the ditch.
The jury brought in a verdict of
accidental death.
